LEOPARD

Read the about the leopard at

http://www.bigcatrescue.org/leopard_cat.htm

In the article, it states, "This cat, in it's melanistic color phase, is often mistakenly referred to as a black panther"

We can conclude that melanistic means

- Panther
- Changing hues
- Solid
- Very dark

How is the leopard different from other cats?

- The leopard likes to climb trees
- The leopard eats protein
- The leopard likes to swim
- The leopard has excellent vision
