

Language arts questions for grades 6-8 tiger

Read about the tiger at
<http://www.bigcatrescue.org/tiger.htm>

Suppose you were to add another picture to this article. Describe the picture you would choose and why you would choose it:

How does the author try to persuade the reader that the tiger is a special mammal worth saving?

- By writing about the white tigers
- By writing using colorful adjectives
- By explaining why tigers are medically important
- By explaining why there are more tigers in captivity than free in the wild
