

LIONS

SIXTH GRADE:

1. Name 2 lion subspecies? What may be a third subspecies?
2. How has human behavior impacted the lion population?

SEVENTH GRADE:

1. Why should lions be called “King of the Beasts” instead of “King of the Jungle”?
2. Why do you think the Species Survival Plan (SSP) talks about the importance of importing only those lions unrelated to those already in this country?

EIGHTH GRADE:

1. What behavioral adaptation relative to their diet do lions display?
2. How does living in a pride increase a lion’s chance of survival?
