

Language arts questions for grades 9-12 cougar

Read the article about the cougar at
<http://www.bigcatrescue.org/cougar.htm>

The article states, "The cougar has the greatest natural distribution of any mammal in the Western Hemisphere except for Man" Do you agree with this statement? State your position and use the graphics and other information in the article to support your opinion. This is an extended response question.

The article states that cougars will not reproduce until they have established a permanent home. Why do you think this is so? State your reasons and explain the consequences. This is an extended response question.
