

Did you know every time you make a purchase on Amazon you could be donating to Big Cat Rescue at NO COST to you??

You can automatically help feed our cats at NO COST TO YOU when you select Big Cat Rescue as your charity on Amazon Smile and shop Amazon Smile instead of Amazon.com.

Everything at Amazon Smile is exactly the same as you are used to at Amazon -- same exact products and prices. If you have a Prime account, it will still be there. The ONLY difference is that .5% of your purchases are automatically donated by Amazon to Big Cat Rescue – ZERO cost to you, but it sure adds up for the cats. Over \$20,000 for the cats in the last year alone!

To choose Big Cat Rescue as your charity on Amazon Smile, simply go to bigcatrescue.org/smile and log in with your existing Amazon ID and password as pictured below. After that, just remember to go to smile.amazon.com instead of amazon.com. Then every purchase you make on Amazon Smile will result in an automatic donation for the cats!

You shop. Amazon gives.

- Amazon will donate 0.5% of the price of your eligible AmazonSmile purchases to **Big Cat Rescue** whenever you shop on AmazonSmile. You can select a different charitable organization after signing in.
- AmazonSmile is the same Amazon you know. Same products, same prices, same service.
- Support your charitable organization by starting your shopping at smile.amazon.com

Thanks so very much! I eat 15 pounds of expensive raw meat each day, so please tell your friends about supporting me and my friends on Amazon Smile!

Amazon's privacy policy does not let them tell us who signs up for Smile, but we'd love to have you email us at finance@bigcatrescue.org to let us know so we can thank you!
